Friends Meeting House
25 Clarendon Street

Speakers include:

- Hank Roberts – ATL Vice President and anti academies campaigner
- Leila Galloway – parent of children at Tidemill Primary School in Deptford where parent campaigners successfully challenged their governing body to think again about becoming an academy
- Liam Conway – NUT Nottinghamshire Division Joint Secretary
- Andrea Oates – Broxtowe Anti Academies Alliance

The Anti Academies Alliance has been set up by parents, teachers and governors who believe in a fair and comprehensive education for all and **a good local school for every child**. We believe that the Academies Act, which paves the way for new academy schools, is an attempt to destroy a democratic, planned, state education system and replace it with a two tier, market driven collection of independent schools.
