

ESOL Day of Action

24 March 3.30pm

Public Meeting - Market Square

Help us show the importance of English classes.

Funding cuts means 76% of ESOL learners face new or much higher fees. What will happen if they cannot pay and cannot speak English in the community or at work?

Everyone welcome!

Have you signed the national petition? Tell everyone you know to sign before 24 March at: www.gopetition.com/petitions/defend-esol.html
